2.4.7 Adjustments to settlement shall not be made for any change or adjudications made by governing bodies after the event, including changes or adjudications made by governing bodies, pools panels, goal committees or other relevant bodies.

2.5 In-Play Betting

It is recognised that where in-play betting, also known as live betting, is available there is generally a delay in satellite transmission. Therefore the company reserve the right to settle any bet placed within the five second period after a goal has been scored or a penalty awarded at revised odds that reflect the state of play when the bet was struck or void the bet if the market has already been determined.

2.6 Postponed or abandoned matches

- (a) called off;
- (b) abandoned;
- (c) postponed,
- (d) cancelled; or
- (e) suspended and does not resume within 3 hours.

2.6.2 Where void matches reduce an accumulator, a bet shall be settled on the remaining selections. Under no circumstances shall the judgement of any 'Pools Panel' be accepted as a result.

2.6.3 Where a match is abandoned prior to the completion of normal time or full time play, all bets shall be void, unless a winning bet has already been established prior to abandonment (for example, first goal scorer, time of first goal or half time result). For a walkover game, where a winner is declared, all bets shall be void. Where void matches reduce an accumulator, the bet shall be settled on the remaining selections.

2.7 Winning Selection Established in the Market

2.7.1 A winning selection is deemed to have been established in the market as soon as the time played in the remainder of the match cannot affect the outcome of the bet.

2.7.2 Where a match is abandoned and a winning selection has been established in the market, bets placed on that market shall stand win or lose.

2.7.3 Where a match is abandoned and a winning selection has not been established in the market, bets placed on that market shall be void as the match did not play for the full duration.

2.8 Change of Venue

Where a venue is changed and is not published at the time the prices or handicaps are advertised, bets placed on that match shall stand provided that the match is not moved to the opponent's ground, in which case bets placed on that match shall be made void.

2.9.1 Bets shall be accepted up to the scheduled kick-off time. In-play bets that are accepted after the actual start time of an event shall be settled at the current in-play price or terms at the time the bet was struck. These odds or terms shall apply even if they are different to the price initially advertised when the bet was first presented.

2.9.2 Where in-play betting is not available, any bet that is accepted after actual start time of an event shall be void. Where an accumulator or multiple bet is reduced by void selections the bet shall stand, for example;

- (a) a 6-fold shall be reduced to a 5-fold; or
- (b) a 5-fold shall be reduced to a 4-fold; or
